Children in Poverty task force

- I will be working on meeting with the task force sometime in the next month to discuss actions we need to take regarding the Penny Project as well as other steps we need to take in the near future.

Penny Project

- We are still collecting pennies for the Penny Project. As of now, there is no set deadline for when the pennies will stop being collected as well as there is no set goal of pennies that we want to collect. Just keep those pennies coming until further notice!

Children's Church

- The schedule has been working out well so far.

- I am currently working on finding a substitute for Sunday, March 7 as I will be at school.

Seminary News

- I have four weeks left in the winter quarter so things are really starting to get crazy with assignments, projects, and presentations, but classes are going really well.
- I have my second class session to attend for my online class on Saturday, March 6 in Elgin so I will not be here on Sunday, March 7.

I will be meeting with the two of them next Thursday (Feb. 25) to discuss the two curriculums and decide which one will be for VBS.
