Carol Williams called the meeting to order and established a quorum. Andy Rhea opened with prayer.

**Old Business:**

- Carol Williams has been trying to contact the harpist for Mother's Day. If this is not possible, she will call someone else.
- Andy Rhea will continue to work on the monitor problem.

**New Business:**

- See Posted reports for Andy Rhea, Rexanne Greuter, and Margaret Mealiff.
- Discussion was held about trumpet player for Sunrise Service, and we are waiting for a response.
- It was reported a call had been received about the church purchasing a grand piano. Discussion followed, and it was decided that there were more pressing needs at this time.

Being no further business, Dee Smith closed with prayer
